

What's in the Box:

- T19Plus Main Unit
- Non-Polarized Green Heavy Duty Jumper Cable
- SAA Certified PD65W Charger
- USB A-C Charging Cable 1M (3.3ft) x 1
- USB C-C Charging Cable 1M (3.3ft) x 1
- DC to Cigarette Lighter Socket Adapter Cable 0.25M (0.82ft) x 1
- Hard Shell Carry Case
- User Manual

Key Feature:

- Robust aluminum housing
- World Exclusive Patented "Smart Connect™ Non-Polarized Technology"
- 3" Digital smart screen displays colorful instructional icons and charge level
- Dedicated red S.O.S button activates the red emergency S.O.S. code
- DC output to connect and power add-on compressors, invertors, other
- Bi-directional PD 60W internal charging feature enables fast charging
- Supports charging laptops and traditional devices i.e. phone, drone, other
- Heavy duty case and PD65W SAA charger are included

Technical Specifications:

Peak Current:	2000A
Capacity:	20000mAh
Battery Type:	12 Volt Lithium-ion battery
Applicable Vehicle:	Up to 8L petrol & 6L diesel
Start Times:	40 times
Recharging Time:	1.1 hours
In/Output:	USB-C: PD60W (5V/3A 9V/3A 12V/3A 15V/3A 20V/3A)
Output:	USB-A: QC18W (5V/3A 9V/2A 12V/1.5A)
DC Output:	12V/6A (10A Max)
Screen:	3"LED, Display battery level, charging/recharging status and warning icons
Light:	White LED light, Red SOS light
Product Dimension:	Length: 147mm (5.79inch) Width: 110mm (4.33inch) Depth: 80mm (3.15inch)
Weight:	1.6kg (3.5lbs)
Storage Temp:	-4°F- 158°F(-20°C - 70°C)
Discharge Temp:	14°F - 122°F(-10°C - 50°C) 32°F - 113°F(0°C - 45°C)
