

Product safety recall

ToolPRO – 570KG Engine Stand

Supercheap Auto

Product Code: 657777

Affected Batches			
4519078235	4519078237	4519078238	4519078239
4519156927	4519156930	4519156932	4519156935

Reason the product is recalled

The support column may collapse due to defective welding on the affected batches.

The hazards to consumers

Risk of serious injury, death or property damage if the engine stand fails and an engine falls. Incidents have occurred.

What consumers should do

1. Consumers should immediately stop using the product.
2. Check the manufacturing batch of their engine stand. The manufacturing batch is marked in black lettering on a white label placed near the safe use instruction label on the support column.
3. If you have an affected product, return it to your nearest Supercheap Auto store for a replacement unit or refund.
