# 7M USB INSPECTION CAMERA INSTRUCTION MANUAL

## Functions and Features:

The 7m USB Inspection Camera is a handy device with a 10mm camera head with built in LED light designed to inspect engines, vents, pipes, inside walls and construction, roof cavities, plumbing and other hard to reach areas. The waterproof construction allows you to see into damp, wet or submerged spaces like down drains, pipes or toilets. A useful tool to assess damage before dismantling pipes when valuables are dropped the drains.

## Specifications:

1. Camera head outer diameter:  $\varnothing$  10mm; Total length: 7m;
2. Resolution: 640x480 30fps
3. USB2.0 interface
4. Focus clarity at 4-6cm, beyond this distance image will be blurred

**NOTE:** This software is not supported by MAC OS system

## Connecting Computer:

For Windows system: connect the camera to computer using USB port. Run the application RsCap1.10.exe in the disk (please copy the file to your computer for future use) Select the video capture source 'USB Camera' from the 'Devices' menu. This is not needed if you only have one source. Make sure the 'Preview' mode is enabled in the 'Options' menu. If the 'RsCap1.10.exe' software does not work in your Windows system, please run the alternative software 'ViewPlayCap' or 'AMCap Camera' in the disk.

For MAC OS system: connect the camera to computer using USB port. Run the "Photo Booth" in system, select the video capture source "USB Camera" from the "Camera" menu.

Taking still pictures: Click 'Capture' > 'Snapshot' to take pictures and all taken pictures will be stored in the picture folder under my document automatically.

Capturing and saving video: If this is your very first capture, select Set Capture File from File menu to configure the folder where the video will be stored. A browser window will show, select a desired folder and input a file name for the video. Now all the video will be stored in the folder you selected. Click 'Capture' > 'Start Capture' to start the video capture, to stop the video capture click the 'Capture' > 'Stop Capture'. The video will be saved in AVI format under the name which you had input before.

- Hook:** useful for retrieving delicate items from hard to reach areas  
**Magnet:** useful for retrieving metal objects from hard to reach places  
**Mirror:** useful for looking around tight corners  
**Sleeve:** used to secure accessories to camera head

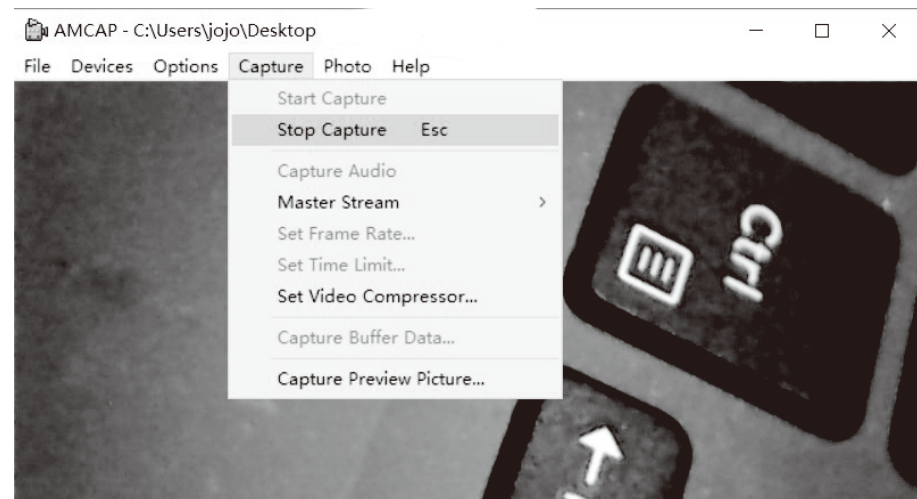

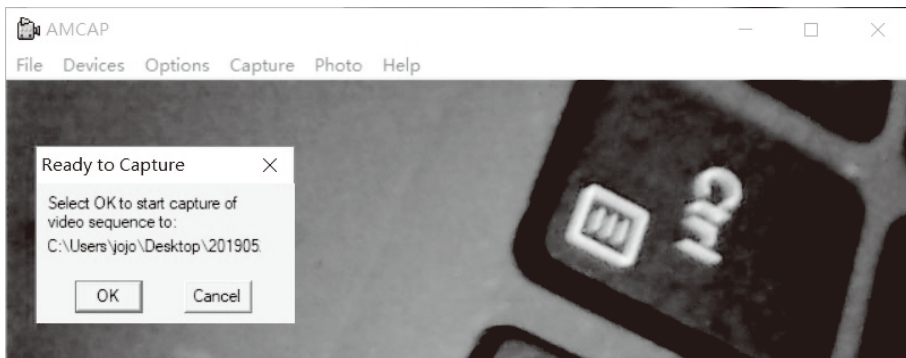

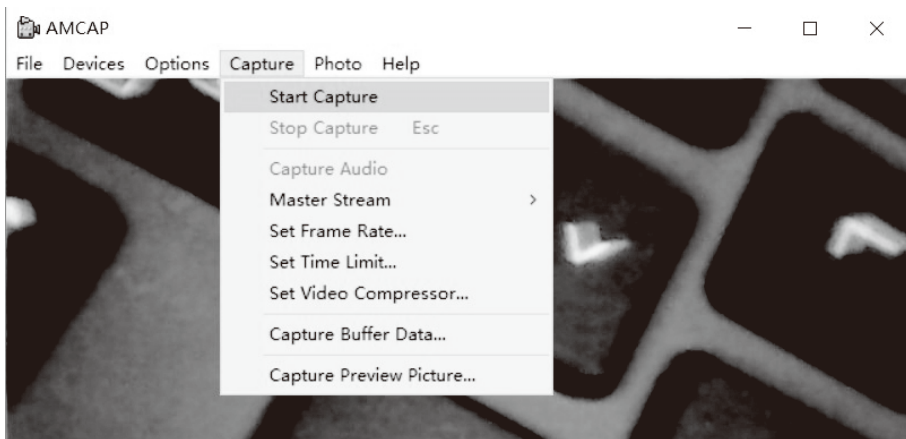

## Windows PC User Guide:

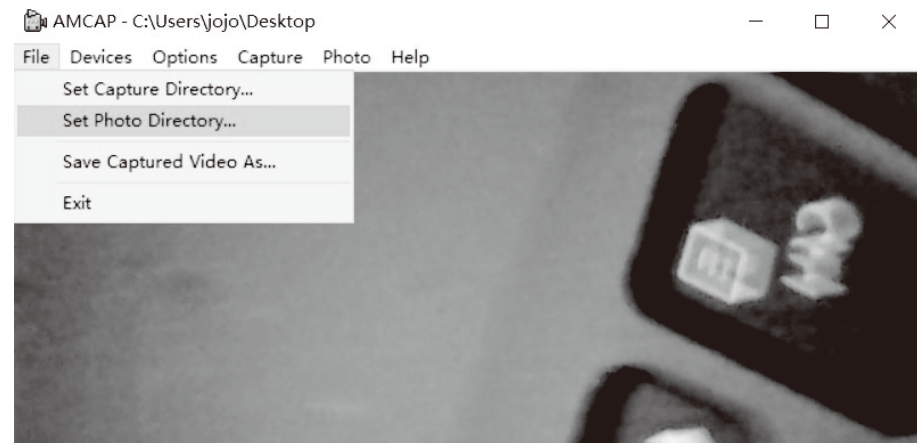

1. Find the software "Amcap" , directly download it from CD.
2. Connect USB camera to your PC and open the software;
3. Click "Devices"→"USB2.0 Camera"; click "Options"→"Preview"

4. Video recording: click “Capture”→“Start capture”, then a notification will pop up and tell you where the file will be saved. Click “Stop capture”to stop recording.

Tips: You can also choose where to save the files. Click “File” and then click “Set Capture Directory”, then you can choose the save space of the videos.

5. Take a photo: click “File”→“Set Photo Directory” to choose the save space of the photos;

click “Photo”→“File” on the photo →“save”

## WARRANTY

This product is guaranteed against defects for a period of (12 months) from date of purchase. This warranty is provided by SRGS PTY LTD ABN 23 113 230 050 of 751 Gympie Rd Lawnton QLD 4501 Ph (07) 3482 7500. Supercheap Auto will offer a repair, replacement product or store credit if the product is assessed as being defective during the warranty period.

To claim under this warranty, take this product to the Front Service Desk of your nearest Supercheap Auto store. For store locations, visit [www.supercheapauto.com.au](http://www.supercheapauto.com.au) (AUS) or [www.supercheapauto.co.nz](http://www.supercheapauto.co.nz) (NZ). You will need your receipt or proof of purchase. Additional information may be requested of you to process your claim. Should you not be able to provide proof of purchase with a receipt or a bank statement, identification showing your name, address and signature may be required to process your claim.

This product may need to be sent to the manufacturer to assess the defect before determining any claim. Faults or defects caused by product modification, misuse and abuse, normal wear and tear or failure to follow user instructions are not covered under this warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any expenses incurred relating to the return of this product to store will normally have to be paid by you. For more information contact your nearest Supercheap Auto store.

The benefits to the consumer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods and services to which this warranty relates.
