Instruction Manual

WARRANTY

This product is guaranteed against defects for a period of 12 months from date of purchase. This warranty is provided by Super Cheap Auto Pty Ltd ACN 085 395 124 (Supercheap Auto) of 751 Gympie Rd Lawnton QLD 4501 Ph (07) 3482 7500. Supercheap Auto will offer a repair, replacement product or store credit if the product is assessed as being defective during the warranty period.

To claim under this warranty, take this product to the Front Service Desk of your nearest Supercheap Auto store. For store locations, visit www.supercheapauto.com.au (AUS) or www.supercheapauto.co.nz (NZ). You will need your receipt or proof of purchase. Additional information may be requested of you to process your claim. Should you not be able to provide proof of purchase with a receipt or a bank statement, identification showing your name, address and signature may be required to process your claim.

This product may need to be sent to the manufacturer to assess the defect before determining any claim. Faults or defects caused by product modification, misuse and abuse, normal wear and tear or failure to follow user instructions are not covered under this warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any expenses incurred relating to the return of this product to store will normally have to be paid by you. For more information contact your nearest Supercheap Auto store.

The benefits to the consumer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods and services to which this warranty relates.

IMPORTANT SAFEGUARDS

When using an electrical appliance, basic precautions should always be followed, including the following:

READ ALL INSTRUCTION BEFORE USING THIS VACUUM CLEANER

WARNING

To reduce the risk of fire, electric shock, or injury:

- Do not use outdoors.
- Do not leave vacuum cleaner when plugged in. Turn off the switch and unplug the electrical cord when not in using and before servicing.
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as this manual described. Use only manufacturer's recommended attachments.
- Do not use with damaged power cord or plug.
- Do not pull or carry by cord, use a cord as a handle, close door on cord, or pull cord around sharp edges and corners. Do not run this item over cord. Keep the cord away from heated surface.
- Do not use extension cords or outlets with inadequate current carrying capacity. Turn off all controls before unplug.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or vacuum cleaner with wet hands or operate without shoes.
- Do not put any object into openings. Do not use with any opening blocked; Keep free of dust, lint, hair, and anything that may reduce airflow.
- This vacuum cleaner creates suction. Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use without dust cup or filter in place.
- Use extra care when cleaning on stairs.
- Do not use to pick up flammable or combustible liquids such as gasoline, or use in areas where they may be present.
- Store your cleaner indoors in a cool, dry area.
- Ensure you turn the unit off at the very minimum every 15 minutes (for 1 minute) to let the motor cool down - failure to do so may cause motor failure.
- Do not use this unit for more than 4 hours (including rest breaks) on any given day.
- If the supply cord is damaged, it must be replaced by the manufacturer.
- This cleaner must be operated in accordance with these instructions. This cleaner is not designed for industrial applications and should not be used for collection of cement dust, fiberglass dust, excessive or frequent sand or body fillers as these will be harmful to your motor and void the manufacturers warranty.
