convertible booster

A convertible booster that grows with your child. Offering the added protection of Air Protect™ and wicking fabric

Features

- Air Protect™ superior side impact protection
- Wicking fabric to keep your child cool and dry
- Easy one handed 5 position headrest adjustment
- Installation recline for better fitment into most cars
- Removable and machine washable insert and harness pads
- Plush infant insert
- 2 swing out cup holders
- Arm rests for child's comfort
- 2 year fabric warranty on the cover and a 6 year hardware warranty for your peace of mind
- Narrow, yet comfortable seat allows for up to 3 seats across the back

Suitability

Toddler Mode

- To be used in forward-facing position with built-in harness from approx. 6 months to approx. 4 years of age or until the child's shoulders reach the middle shoulder height marker.

Booster Mode

- To be used with a lap-sash seatbelt from approx. 4 years of age to approx. 8 years of age or until child's shoulders reach the upper shoulder height marker.
