

Rain-X® Original Glass Treatment

THE INVISIBLE WINDSHIELD WIPER®

Rain-X® Original Glass Treatment dramatically improves wet weather driving visibility. Simply apply the treatment to exterior glass and watch the raindrops fly off your windshield while driving. Rain-X helps improve visibility by repelling rain, sleet and snow.

In tests conducted by a major university, better visibility improved driving response time up to a full second or more. At highway speeds, that's almost four car lengths of extra stopping distance!

Product Features

- Improve all-weather visibility, safety and driving comfort
- Helps easily remove frost, ice, salt, mud and bugs
- Available in 473mL and 207mL

Product Usage Instructions

- Clean and dry surfaces before treating
- Apply in temperatures above 4 degrees celsius
- Apply Rain-X® to a small, folded, dry cloth
- Wipe onto exterior glass using a firm, circular and overlapping motion
- Allow product to dry; a slight haze may appear
- Reapply Rain-X® to ensure complete and uniform coverage
- Remove final haze with a dry cloth or by sprinkling water onto the haze and wiping with a paper towel

Other Uses for Rain-X® Original Glass Treatment;

- Try Rain-X® Original Glass Treatment on your glass shower door and home glass windows for more water beading magic!
- Avoid using Rain-X® Original Glass Treatment on plastic shower doors, glass shower doors with etching or frosting, plexiglass and fiber glass
- Avoid using Rain-X® Original Glass Treatment on any plastic surfaces, including motorcycle windshields, ATVs and solar panels.
