

Dupli-Color®

Scratch Fix All-in-1™

SCRATCH FIX All-in-1™

features everything you need to prep, paint and seal scratches or chips. Includes an abrasive tip to clean out the scratch or chip along with a clear coat to seal and complete the repair.

- Paint is 'vehicle manufacturer approved' based on automotive OEM colour standards.
- One coat prime & paint formula speeds the repair process.
- Heavy coil spring paint agitator provides 360° mixing for even colour results.
- Perfect for glove-box storage or garage storage
- Refer to Scratch Fix All-In-1 Colour Guide to select your colour.

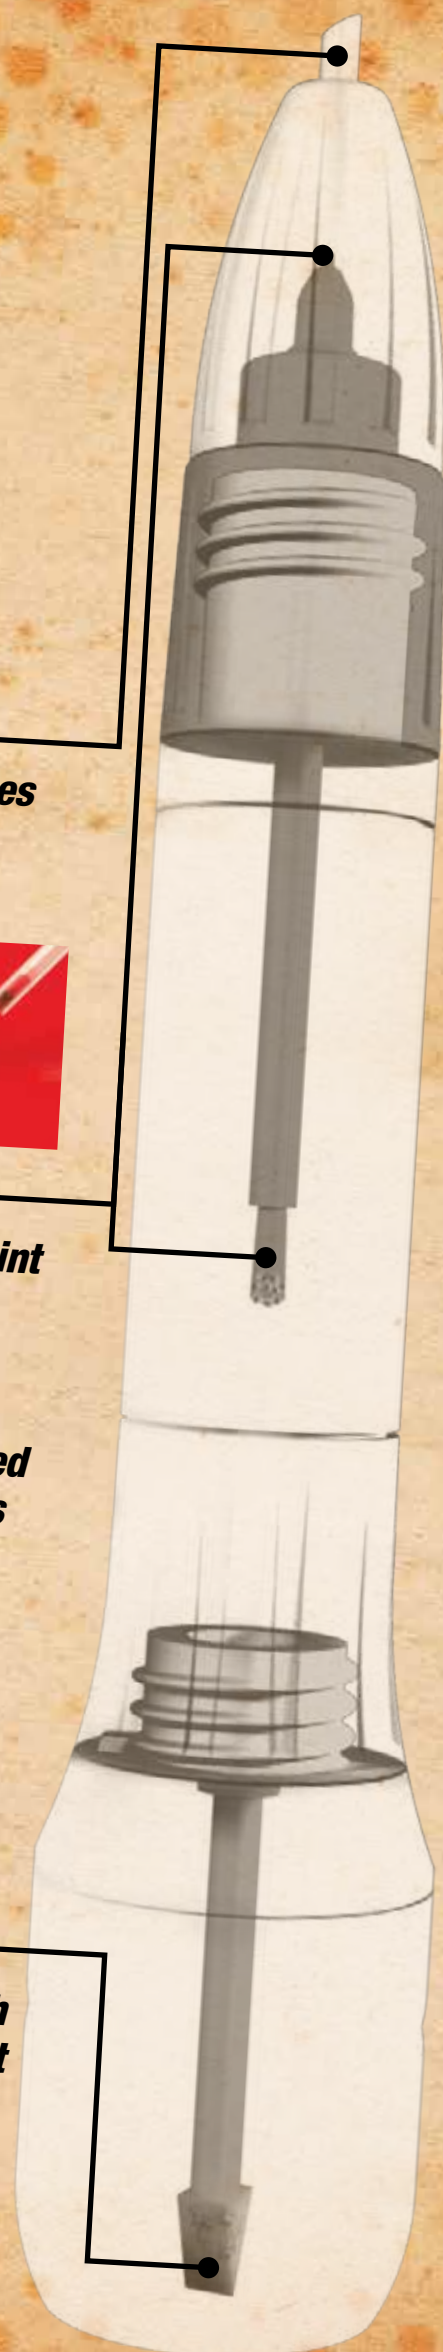

PREP IT.
Abrasive tip removes loose paint & rust

PAINT IT.
One coat prime & paint formula
Two applicators - precision pen tip for fine scratches, tapered brush for larger chips

SEAL IT.
Clear coat ultra-smooth foam applicator for that perfect factory finish and protection
