

**Supercheap Auto**  
**National Recycling Week Recycle and Reward Club Offer Australia**  
**Terms and Conditions**

1. The promotion commences on Thursday 9<sup>th</sup> November at start of trade and concludes on Thursday 23<sup>rd</sup> November, 2023 at close of trade ("Promotional Period").
2. Club credit back offer is available to Supercheap Auto Club members in Australia only.
3. Customers can sign up to become a Supercheap Auto Club member prior to or in the same transaction to be eligible for the credit back.
4. Club members will receive \$5 Credit back when they complete one (1) of the following steps
  - a. Return their used lead acid automotive, 4WD or motorcycle battery to a Supercheap Auto store and have the return processed on their club membership.
    - i. Supercheap Auto is unable to accept any lithium battery for recycling – please contact your local council or governing body for suitable waste facilities that will take this product.
  - b. Return their used engine oil in a sealed oil container up to a 10L capacity to a participating Supercheap Auto store and have the return processed on their club membership.
    - i. Supercheap Auto will only accept oil containers intended for the carriage of such oils (eg original oil bottle, purpose made oil drain container – drink bottles and milk bottles are NOT suitable for carrying and transporting waste oils)
    - ii. Supercheap Auto is unable to accept brake fluid, power steering fluid or coolant for recycling – please contact your local council for suitable waste facilities that will take this product.
    - iii. Oil Recycling is not available in all stores – contact your local store or visit our website for more information
5. All customers wishing to bring back their lead acid battery or used engine oil for recycling, MUST see a team member during trading hours. All customers are required to have item processed as a transaction with a team member.
6. Club members will not be eligible for multiple recycle and reward credits. Limit of 1x Battery Recycling \$5 credit and 1x Oil Recycling \$5 credit will be applied. Customers are more than welcome to return multiple batteries, and up to 4x used engine oil bottles (up to 10L capacity) however a maximum of \$10 recycling credit will be applied.
11. Credit will be applied to Club member accounts on which the qualifying transaction was made within 5 business days of the promotion concluding. The credit will expire 28 days after the date of application.
12. All eligible Club members, who are opted-in to receive marketing, will receive an email when the credit has been applied. The email will be sent to the email address registered on the Club account on which the qualifying transactions were made.
10. Use of Club card and redemption of Club credit are subject to Club terms and conditions:
